

Bring a Bag of Bulbs for the Boulevard!

Join in our neighborhood planting project for spring color.

Saturday October 6, 2007

Rain or Shine

Bring a bag of your favorite springtime bulbs and your trowel to the corner of 9th St and Westridge Blvd between **9 and 10:30am** so we can assign you a planting location.

Fear not, if you can only bring the bulbs but cannot plant, or if you can only plant but not bring the bulbs, we still have need of you!
